CWFC Placement Appeal Policy

We value all of our players and understand that it can be difficult to accept placement decisions. CWFC takes every appeal seriously and strive to provide the best possible experience for all.

Parents/guardians of players who wish to appeal their child's placement on a team can do so by:

- Submitting a completed Player Placement Appeal Form to admin@calgarywestsoccer.com which can be found on the next page.

All appeals will be carefully reviewed and processed before the season start, and the results will be communicated to parents by email. Please note that telephone calls will not be accepted regarding appeals.
