Calgary West Football Club

Empower Potential, Forming Futures

Welcome To CWFC

CWFC introduces a new Academy Based Curriculum based around the integral pillars of the beautiful game. This curriculum is designed to bring a cohesive brand of soccer that will give our players the best chances to develop both on and off the field.

Our long-term vision builds the most successful pathway for our players while preparing them for opportunities beyond our sport. We are committed to putting players first as they are the future.

Empowering Potential Forming Futures

Calgary West Football Club

Empower Potential, Forming Futures

CWFC Technical Vision

At Calgary West Football Club (CWFC), we have a player first mentality. We are committed to creating an environment that encourages all players to grow and develop.

Our Coaching staff is dedicated to ensuring every player at every tier receives the training and attention they deserve to reach maximum development.

We have programs from Play & Train/Grassroots, Recreational and Competitive and which means there is an environment for every athlete.

Our Academy-Based Curriculum is structured around the four pillars of soccer: Attacking Organization, Attacking Transitions, Defensive Organization, and Defensive Transitions. At CWFC, we believe that having a structured and detailed understanding of the game is important to prepare players for their future, whether it is collegiate, pro, senior competitive, senior recreational or soccer for life.

CWFC's technical vision is to ensure players are given the proper tools to play the game at the level of their choice. At the Grassroots and Foundational ages, we focus on physical literacy incorporated with ball mastery skills. In the Developmental age groups, we build on those skills by adding additional small-sided games. This phased approach enables the athlete to expand their soccer IQ while continuously developing physical literacy and ball mastery.

In our Generation Program, we focus on preparing our athletes to compete at the next level. In this environment, we look to push the athletes and stretch them outside their comfort zone.

Calgary West Football Club

Empower Potential, Forming Futures

CWFC Program Registration

Early bird registration fees are in effect from February 1, 2024 - February 21, 2024. All advertised prices in this overview are decreased by 10% until February 21, 2024. Prices match the overview starting February 22, 2024. Registration closes on March 31, 2024.

REGISTRATIONS MUST BE COMPLETED AND FEES PAID TO ATTEND PLAYER EVALUATIONS FOR U10-U17.

Please note: CMSA players who have not paid their fees (registration/academy) will be deregistered with CMSA by June 15, 2024, for Outdoor 2024.

Online Payments:

At the time of registration, you will be expected to pay the base registration fees. Following evaluations and player placement, additional fees for Academy will be required to be paid at the start of the season. Our online payment system only accepts credit card payments. Introduced last season is the option for scheduled credit card payments for an added option.

Volunteer Positions:

All registrations that DO NOT select a volunteer role during the registration process, whether team level or club level are charged the non-volunteer fee of \$100 upfront on their registration.

CMSA League Structure:

Please note that we register teams into the CMSA League. CMSA is the governing body for the city league. CMSA administers all league structures, game schedules and rules of play. For the CMSA League Structures/Calendar for the Outdoor 2024 Season including game days please see the CMSA website under the [LEAGUE tab](#).

Empower Potential, Forming Futures

CWFC Evaluation & Player Placement

CWFC is confident in our ability to correctly place players into teams that will best suit their development.

In our evaluation process, players will be given a session with players in their respective age groups. Players will start with a small technical session which allows them to demonstrate their technique and personal player habits. The session will evolve into a gameplay format where they will have an opportunity to showcase their ability within a game environment.

Our qualified and experienced staff will select players into teams that we believe provide their best opportunity to develop.

“To Do” list to attend Evaluations:

- Register - Players must be registered for the upcoming season.
- The Technical Director, along with Age Group Directors will make the final decision on player placement based on:

Returning Players

- Previous participation in a team from last CMSA season
- Information from the team Coaches (if applicable)
- Conversation with other Age Group Directors, who have worked with a player in the past

New Players

- Information about their last CMSA season participation (age group and Tier level)
- Conditions of our teams and their needs
